warranty	
manufacturer warranty	3 years / 100k miles
battery warranty	8 years / 100k miles

*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO2 figures however until April 2020 the CO2 figures are based on the outgoing [NEDC] test cycle which will be used to calculate vehicle tax on first registration. Please visit renault.co.uk/configure for WLTP figures for any selected options

*Please refer to renault.co.uk for full terms and conditions.
